On 28 Sep 2005, 400 Arab militia attacked the villages of Aro Sharrow (including its IDP camp), Acho, and Gozmena in West Darfur. We also believe that Musa Hilal was present during the attack on Aro Sharrow IDP camp: his son had been killed during the SLA attack on Shareia, so he was now involved in a personal blood feud. There are reasonable grounds to believe that as the Paramount Chief he had direct responsibility for these actions and is responsible for violations of international humanitarian and human rights law and other atrocities. **Other information:** a) Member of the National Assembly of Sudan.
