Justification: Ali Darassa founded and still leads the Central African Republic (CAR)-based militia group Unité pour la Paix en Centrafrique (UPC), which has killed, tortured, raped, and displaced civilians, committed a large number of abuses of human rights and violations of international humanitarian law, and engaged in arms trafficking, illegal taxation activities, and warfare against CAR defence and security forces, as well as other militias, since its creation in 2014. In Dec 2020, he played a leading role in the creation of the Coalition des patriotes pour le changement (CPC) that took up arms to oppose the elections and attempted to enter the capital Bangui, in violation of the commitments made by the UPC under the Accord politique pour la paix et la réconciliation (APPR) signed on 6 Feb 2019. **Other information:** Founder and leader of the Unité pour la Paix en Centrafrique (UPC). Justification: Engaging in or providing support for acts that undermine the peace, stability or security of CAR: Since the coup d'état on 24 Mar 2013, Bozizé provided financial and material support to militiamen who are working to destabilize the ongoing transition and to

bring him back to power. François Bozizé, in liaison with his supporters, encouraged the attack of 5 Dec 2013 on Bangui. The situation in CAR deteriorated rapidly after the 5 Dec 2013 attack in Bangui by anti-Balaka forces that left over 700 people dead. Since then, he has continued trying to run destabilization operations and to federate the anti-balakas militias, in order to maintain tensions in the capital of CAR. Bozizé tried to reorganize many elements from the Central African Armed Forces who dispersed into the countryside after the coup d'état. Forces loyal to Bozizé have become involved in reprisal attacks against CAR's Muslim population. Bozizé called on his militia to pursue the atrocities against the current regime and the Islamists. **Other information:** Mother's name is Martine Kofio. Justification: a) Engaging in or providing support for acts that undermine the peace, stability or security of the Central African Republic (CAR): Nouredine is one of the original leaders of the Séléka. He has been identified as both a General and the President of one of the armed rebel groups of the Séléka, the Central PJCC, a group formally known as the Convention of Patriots for Justice and Peace and whose acronym is also acknowledged as CPJP. As former head of the "Fundamental" splinter group of the Convention of Patriots for Justice and Peace (CPJP/F), he was the military coordinator of the ex-Séléka during offensives in the former rebellion in the Central African Republic between early Dec 2012 and Mar 2013. Without Nouredine's involvement, the Séléka would likely have been unable to wrest power from former CAR President François Bozizé. Since the appointment as interim president of Catherine Samba-Panza on 20 Jan 2014, he was one of the main architects of the ex-Séléka's tactical withdrawal in Sibut with the aim of implementing his plan to create a Muslim stronghold in the north of the country. He had clearly urged his forces to resist the injunctions of the transitional government and of the military leaders of the African-led International Support Mission in the Central African Republic (MISCA). Nouredine actively directs ex-Séléka, the former Séléka forces that were dissolved by Djotodia in Sep 2013, and directs operations against, Christian neighborhoods and continues to provide significant support and direction to the ex-Séléka operating in CAR. b) Involved in planning, directing, or committing acts that violate international human rights law or international humanitarian law, as applicable: After the Séléka took control of Bangui on 24 Mar 2013, Nourredine Adam was appointed Minister for Security, then Director General of the "Extraordinary Committee for the Defence of Democratic Achievements" (Comité extraordinaire de défense des acquis démocratiques — CEDAD, a now-defunct CAR intelligence service). Nourredine Adam used the CEDAD as his personal political police, carrying out many arbitrary arrests, acts of torture and summary executions. In addition, Nouredine was one of the key figures behind the bloody operation in Boy Rabe. In Aug

2013, Séléka forces stormed Boy Rabe, a CAR neighbourhood regarded as a bastion of François Bozizé supporters and his ethnic group. Under the pretext of looking for arms caches, Séléka troops reportedly killed scores of civilians and went on a rampage of looting. When these raids spread to other quarters, thousands of residents invaded the international airport, which was perceived as a safe place because of the presence of French troops, and occupied its runway. **c)** Providing support for armed groups or criminal networks through illegal exploitation of natural resources: In early 2013, Nourredine Adam played an important role in the ex-Séléka's financing networks. He travelled to Saudi Arabia, Qatar and the United Arab Emirates to collect funds for the former rebellion. He also operated as a facilitator for a Chadian diamond-trafficking ring operating between the Central African Republic and Chad. **Other information:** Photo available for inclusion in the INTERPOL-UN Security Council Special Notice.
